Call to Order/Pledge of Allegiance

- The meeting was called to order on Wednesday February 6, 2013 at 7:00PM.

Call to the public

- No one spoke during the call to the public.

Old Business

- January 2013 minutes were read and approved.
- There was an update on the road status with the county. We are awaiting the final letter with corrections from attorney.

New Business

- New equipment purchases were discussed. Joe Overton spoke with Alfonso regarding the purchase of any new trucks for the District Irrigation service. In keeping with our existing budgeting plans of rotating vehicles every 5 yrs., it was decided that one of the Zanjero's trucks would be replaced and the old one sold. Fred Clare motioned to replace one Zanjero truck. Elizabeth Fulghum seconded the motion.
- Joe Overton will be attending an R.E. Monk auction to look at the road graders, water trucks, & dollies that were advertised. The auction is February 13th. Joe had also found a road grader online in Albuquerque, but it would be more expensive to ship. There are also many water trucks for sale online.
- Elizabeth Fulghum had an idea to place a business card holder in the front office for our residents to "promote" their businesses and for our residents to be able to "shop" in our own community. Elizabeth will also check into adding a page to our website for the same purpose. Joe Overton motioned for business card promotion in our front office and Fred Clare seconded it.
- The hitching post will be rebuilt and placed in the front for equestrian "parking".
- Alfonso is pricing/researching line detectors and will get back to Joe with his findings.
- Well #2 was discussed for possibly bringing the flow rate up.
- Elizabeth Fulghum is researching the added 15 min increment irrigation charges for our PayPal customers.

Adjournment

- Fred Clare moved to adjourn the meeting.
- Elizabeth Fulghum seconded the motion.
- The meeting was adjourned at 7:19PM.
